

Dear Doctor:

Please accept our invitation to join the Clark County Medical Society which has been serving physicians since 1955. We need your participation in organized medicine to ensure your rights as physicians are adequately represented. The current malpractice crisis, along with decreasing reimbursement from third party payers and government entities, make this an especially critical time to organize ourselves as a medical community. Membership with the CCMS includes membership in the Nevada State Medical Association. Dues are \$390 for your first year and \$780 for each year after.

Listed below are some of the benefits of membership:

- 5% Discount on Malpractice Insurance with Nevada Mutual Insurance Company, PIC Wisconsin and PPIC
- Group Health PPO for members and their families, and office employees and their families at very competitive rates
- VISA credit card through Community Bank with no interest for 60 days
- iTransact credit card processing service at special rates
- MedPac, your CCMS political action committees, and NemPac, the NSMA political action committee, both supporting physician friendly candidates
- Notary services at the CCMS office, free to CCMS members
- Through NSMA, representation in State Legislature via paid lobbyist
- Fax updates on breaking news important to local physicians
- Free classified advertising (up to 40 words) in our monthly newsletter (limit of 3 per year)
- Complimentary Copy of our Membership Directory annually
- Publication of members name, address, phone number, and specialty on the CCMS website
- Our informative monthly newsletter, the County Line, featuring articles on practice management, legislation, and more
- ePrescribing through Allscripts – electronic new prescriptions and refills with formulary information
- St. Rose Hospitals new application and renewal application fee waiver
- Approximately 1,600 referrals per year are provided to the public

We look forward to receiving your completed application. This is a critical time for physicians to organize ourselves into a unified voice. Please join us. I would be happy to answer any questions you may have about the Clark County Medical Society, 739-9989.

Sincerely,

Janiceanne Poblete
