Resident Job Fair

August 17th 2017 | 12:30 PM – 7:00 PM | Golden Nugget Las Vegas

SUPPORTER OPPORTUNITIES

The Clark County Medical Society is launching an initiative to **“Keep Our Residents in Nevada”**. This inaugural Resident Fair is being done in collaboration with the University of Nevada School of Medicine and Valley Health Systems along with other community partners. This job fair is just one of the initiatives CCMS is working on to help with the doctor shortage here in our great community! We need your support to help make this happen! Below are several opportunities to assist. Time is of the essence as the event will occur in August! The job fair will piggy back onto a Graduating Resident and Fellow Seminar. We are confident that your organization will want to be a part of this mission. Please confirm your participation today, as participation is limited!
